

Noteworthy Music

Family owned and operated since 1987

Rental Program Highlights:

Low rates -- Our program was created to fill the need for affordable instrument rentals. We keep our rates low so you can fit your child's musical future into your monthly budget.

Quality Instruments – Our instruments come from top quality manufacturers such as Conn-Selmer, Gemeinhardt, Amati, and Knilling. Each one is thoroughly inspected and regularly maintained to give your beginning player the best possible experience.

Easy to own – Don't pay full retail price! When purchasing an instrument through our rental program, you get a **20% discount**. Even better, every payment you make through the entirety of your rental contract goes toward the purchase – with **no cap**. You may apply this credit and 20% discount combo at any time, to **any** band or orchestra instrument we have.

We're here to help – We're happy to deliver the instrument to, and service it at, your school. We also offer an introductory lesson if you come to the store. Whether you're looking for reeds or rosin, repairs or private music lessons, we'll help you out. Noteworthy Music's friendly staff will take the time to ensure your child has a great start.
